

## SILVIO BRUSHED WASTE BASKET

These sleek, seamless pieces are crafted of solid brass and plated in nickel. The brushed finish coordinates beautifully with stainless steel. Each Italian-engineered cylindrical casing is created from a block of solid brass. It's a labor-intensive process that produces smooth, seamless pieces with the unmistakable 'heft' of solid brass. The collection includes a wastebasket, tissue cover, soap dispenser, canister, brush holder, glass holder and soap dish. The glass holder includes a removable glass; the soap dispenser is offered with a wide choice of plated tops. Made In Italy
