

SILVIO CHROME CANISTER

These sleek, seamless pieces are crafted of heavy brass and plated in polished chrome. The flawless finish is produced by extruding each cylinder from solid brass. Each Italian-engineered cylindrical casing is created from a block of solid brass. It's a labor-intensive process that produces smooth, seamless pieces with the unmistakable 'heft' of solid brass. The collection includes a wastebasket, tissue cover, soap dispenser, canister, brush holder, glass holder and soap dish. The glass holder includes a removable glass; the soap dispenser is offered with a wide choice of plated tops. Made In Italy
