

FOCAL CANISTER

From designer Michael Berman, a gorgeous crystal bath canister with timeless style. The brilliant 24% lead crystal is mouth-blown and etched by hand. Playful frosted orbs create a subtle contrast as they encircle each piece. Includes a heavy, solid brass lid offered in a choice of plated finishes. Made in Italy. Please be aware that tiny bubbles may randomly appear within an item. This is part of the handmade nature of our production and is not considered defective.
