

LYDIA GOLD CANISTER

A lovely and useful addition to the bath vanity or dressing table, this small canister is produced of fine crystal wrapped in a lacy patchwork of genuine gold leaf. Thin sheets of the precious leaf are arranged by hand and fused into the heavy crystal, creating a unique effect on each piece. The lid is solid brass, plated in 14 kt. gold. Made in Italy. Please be aware that tiny bubbles may randomly appear within an item. This is part of the handmade nature of our production and is not considered defective.
